Knowledge is Power—and Security

The more you know about computer security, the more power you have to protect yourself. You’ll always be informed if you LOOK, LISTEN, ASK, and VISIT:

LOOK

“You’re the Key” bi-monthly flyers are perfect for posting in conference rooms, lounges, or computer labs.
www.it.northwestern.edu/security/flyer.html

LISTEN

Information Security podcasts give you the week’s security news and helpful tips.
www.it.northwestern.edu/security/podcast.html

ASK

Get security questions answered at NUIT Tech Talk Webinars; register for upcoming events or view archives.
www.it.northwestern.edu/learning/techtalks/

VISIT

The NUIT Security page is the best resource for everything computer security-related at NU.
