Subject: Re-Activate Your Email Quota!!!

Dear Webmail User:

You have reached the limit of your mailbox by your web mail service, you are above your limit which is 20GB as set by your administrator, you are currently running on 20.9GB, you may not be able to send or receive emails. To Prevent this! click on the link below to upgrade your Quota:

(\textit{Link Intentionally Removed by NUIT})

Failure to do so will result in a limited access to your mailbox. Warning!

Thank You
