Please note the following concerning Ethernet cables:

- One Ethernet cable is provided at no charge when a data jack is activated.
- Labor and replacement charges will not be billed when replacing an Ethernet cable due to repair (other than vandalism).
- If an Ethernet cable is ordered to replace an item damaged by vandalism, labor and replacement charges will apply.
- Labor charges are applied at the rate of \$75.30/hr (min 1/2 hr: \$37.65).

2. Installation and Repair

a. Installation

NUIT completes installations for which an existing jack is already in place at a special flat-rate installation charge. Other installations are completed on a time-and-materials basis.

Flat-Rate Installation

Where an existing jack is in place \$120.40/line
(Includes labor, materials and switch programming charges)

Time-and-Materials Installation

Labor Charges..... \$75.30/hr

Examples where labor charges apply:

- Changing style of telephone(s)
- Establishing voice or data circuit(s)
- Other modifications
- Moving an existing jack
- Service requiring installation of a new jack

Special Order Expedite Policy & Charges

Customers requesting premium orders or orders that are to be completed beyond normal business hours (8:30 a.m. - 5:00 p.m.) will incur a charge double the normal labor rate. Customers requesting rush or any non-emergency orders that must be addressed sooner than the normal scheduling process can accommodate will incur the following charges:

Request for service today:4 times normal labor or flat rate
Request for service today + 1 day:3 times normal labor or flat rate
Request for service today + 2 days:2.5 times normal labor or flat rate
Request for service today + 3 days:2 times normal labor or flat rate
Request for service today + 4 days:1.5 times normal labor or flat rate

There will be no additional charge for the processing of an emergency order of three or fewer lines that are required today or tomorrow. Telephone lines that qualify as an emergency order include phones for customer's senior management.

Installation Policies

- **All Services** – Installation rates are applicable on NUIT business days, 8:30 a.m. - 5:00 p.m. Monday through Friday. The premium rate is \$150.60/hr for any service outside NUIT business hours.
 - **Voice Services** – Installation turnaround time is a maximum of eight business days. If a customer requests installation in less than eight days and a business day installation slot is available, the customer will be charged normal installation rates. If a customer requests installation in less than eight days and no business day installation slot is available, the customer will be charged the premium rate. Any requests for installation outside of regular business hours will be charged the premium rate of \$150.60/hr.
 - **Data Services** – Installations are scheduled based on the complexity of the individual request. Installations requiring completion prior to the first available due date or outside of regular business hours will be charged at the premium rate of \$150.60/hr.
-

b. Repair

Repair is defined as the restoration of service or repair of defective parts and/or workmanship. There is no charge for these repairs. Repairs that are not caused by NUIT defective parts, service or workmanship will be billed to the customer at the premium rate of \$150.60/hr.

3. Theft and Vandalism

NUIT cannot assume responsibility for loss of equipment due to theft and vandalism. Replacement costs are determined using NUIT's actual costs and will be billed directly to the account responsible for the equipment.
