FOR IMMEDIATE RELEASE

NUIT COMPUTER LAB OFFERS 24-HOUR ACCESS
DURING READING WEEK AND FINAL EXAMS

Northwestern University Information Technology in partnership with the University Library, is offering 24-hour access to the NUIT Computer Lab in the lower level of the University Library (room B178) during Reading Week and Final Exam Week.

Extended hours for students begin when the lab opens at 8:30 a.m. Wednesday, March 12. The lab will remain open round-the-clock through Thursday, March 20 and will close at 1:45 a.m. Friday, March 21.

The Computer Lab, centrally located on the Evanston campus, has 70 Macintosh and Windows computers with over 30 software titles on each platform, plus printers and scanners.

For an up-to-date Academic Year schedule of NUIT lab and classroom hours including Reading Week, Final Exams, and holidays, visit http://www.at.northwestern.edu/ctg/labs/hours.ssi.
