Joe Mambretti, director of the International Center for Advanced Internet Research (iCAIR), will be a guest panelist at noon today (March 1) on the "Odyssey" program on WBEZ, 91.5 FM. The topic: "The Promise and Reality of Internet2."

Live RealAudio is available via the "Live Audio" link at http://www.wbez.org/.

The Promise and Reality of "Internet2": Panel on WBEZ Radio Today

Steve Corbató from Internet2, Joe Mambretti from Northwestern University, and Michael Wellings from the University of Washington will talk about what they are working on, what projects they are exploring, and what they think the future holds for the Internet.

Host Gretchen Helfrich will lead the roundtable discussion of "The Promise and Reality of Internet2" on today's edition of Odyssey, a daily talk show of ideas produced by WBEZ, Chicago's public radio station.
