1800 Sherman Ave., Suite 1-200 • Evanston, IL 60201 • 847-491-4357 (1-HELP)

Core Services

Core services charge, per individual, appropriately weighted \$351.12/yr.

The core services charge was developed to provide access to a set of essential services provided over Northwestern’s network infrastructure. Core services include the following:

- Dial tone (basic telephone service)
- Local calling
- Domestic long distance calling
- Data network access (including e-mail)
- On-campus Internet connectivity
- Basic Voice Mail
- Access to Internet 2, national and international networks infrastructure
- On-campus wireless access
- Voice conferencing
- Secure remote access
- Host-based virus protection
- Network repair services and ordering assistance
- NU’s E-mail Defense System
- Central upgrades to the communications research

2. Installation and Repair

a. Installation

Northwestern IT completes installations for which an existing jack is already in place at a special flat-rate installation charge. Other installations are completed on a time-and-materials basis.

Flat-Rate Installation Charge

Where an existing jack is in place (TDM).....\$128.00/line
 (Includes labor, materials, and switch programming charges—Evanston campus only)
 Fax Line (VoIP).....\$222.00/line

Time-and-Materials Installation

Labor Charges..... \$92.90/hr.

Examples where labor charges apply:

- Changing style of telephone(s) • Establishing voice or data circuit(s) • Other modifications
- Moving an existing jack • Service requiring installation of a new jack

Special Order Expedite Policy & Charges

Customers requesting premium orders or orders that are to be completed beyond normal business hours (8:00 a.m. – 4:00 p.m.) will incur a charge double the normal labor rate. Customers requesting rush or any nonemergency orders that must be addressed sooner than the normal scheduling process can accommodate will incur the following charges:

Request for service today:4 times normal labor or flat rate
 Request for service today + 1 day.....3 times normal labor or flat rate
 Request for service today + 2 days.....2.5 times normal labor or flat rate
 Request for service today + 3 days.....2 times normal labor or flat rate
 Request for service today + 4 days.....1.5 times normal labor or flat rate

There will be no additional charge for the processing of an emergency order of three or fewer lines that are required today or tomorrow. Telephone lines that qualify as an emergency order include phones for customer's senior management. **Installation Policies**

- **All Services** – Installation rates are applicable on Northwestern IT business days, 8:00 a.m. - 4:00 p.m. Monday through Friday. The premium rate is \$185.80/hr. for any service outside Northwestern IT business hours.
- **Voice Services** – Installation turnaround time is a maximum of ten business days. If a customer requests installation in less than ten days and a business day installation slot is available, the customer will be charged normal installation rates. If a customer requests installation in less than ten days and no business day installation slot is available, the customer will be charged the premium rate. Any requests for installation outside of regular business hours will be charged the premium rate of \$185.80/hr.
- **Data Services** – Installations are scheduled based on the complexity of the individual request. Installations requiring completion prior to the first available due date or outside of regular business hours will be charged at the premium rate of
- **Cancellations** – Cancellation charges (min 1/2 hr. \$46.45) apply if order is not withdrawn within 24 hours of due date.
- **Bulk Orders** – Bulk orders of 20 lines or more requiring scheduling arrangements that may exceed our standard SLA for installation.

b. Repair

Repair is defined as the restoration of service or repair of defective parts and/or workmanship. There is no charge for these repairs. Repairs that are not caused by Northwestern IT defective parts, service or workmanship will be billed to the customer at the premium rate of \$185.80/hr.

3. Theft, Vandalism, and Past Warranty Period (3 Years)

Northwestern IT cannot assume responsibility for loss of equipment due to theft, vandalism, or equipment older than three years. Replacement costs are determined using Northwestern IT's actual costs and will be billed directly to the account responsible for the equipment.
