

GM072 - Award Analysis

Description – This report displays the total number of awards and total awarded amount by school. The first drill-through provides the ability to see the total number of awards and total awarded by department. The second drill through gives the detailed award information related to selected summary. A broad range of prompts allow for specific or wide ranging queries.

Purpose – Allows the user to view award data from the least to most granular in a single report.

Accessed By (role or department) – OSR, School Administrators, Department Administrators and ASRSP
